

Setup for OM Holds Restriction

Blog By – Shashank Jha

Objective: This document will provide a good knowledge to Setup of OM Holds restriction and will be beneficial for any Oracle OM Consultant.

Business Requirement: Certain Hold should be restricted to apply with all users except Admin Role

Prerequisite: We should have OM Hold Code defined in the Fusion.

Please verify Manage Hold Codes

Navigation: Go to-> Setup and Maintenance>>Task>>Search>> Manage Hold Codes

Steps to Setup for OM Holds Restriction:

Navigation: Go to-> Setup and Maintenance>>Task>>Search>> Manage Hold Codes

For example, consider below Hold:

* Code	* Name	Description	* Start Date	End Date	Hold All Services	Predefined	In Use	* Set
CMFS_CREDIT_CHECK_PENDING	CMFS-Credit Check Pending	CMFS-Credit Check Pending	2/12/21	m/d/yy	<input checked="" type="checkbox"/>	—	—	COMMON

Scroll down for Hold Details View>> Go to Tab Applicable Roles:

CMFS-Credit Check Pending: Details

Services **Applicable Roles**

Apply Hold All roles Selected roles

Release Hold All roles Selected roles

Actions

Role	Description	Apply Hold
------	-------------	------------

Now here we can add the specific roles for Applying Hold for the particular Hold:

* Code	* Name	Description	* Start Date	End Date	Hold All Services	Predefined	In Use	* Set
CMFS_CREDIT_CHECK_PENDING	CMFS-Credit Check Pending	CMFS-Credit Check Pending	2/12/21	mid/yy	<input checked="" type="checkbox"/>	—	—	COMMON

Columns Hidden 1

CMFS-Credit Check Pending: Details

Services **Applicable Roles**

Apply Hold All roles Selected roles

Release Hold All roles Selected roles

Role	Description	Apply Hold
Order Administrator	Configures all setup-related activities for order orchestration or order promising.	<input checked="" type="checkbox"/>

As we have added Order administrator Role for this Hold. So, this Hold will appear for users having this Role only. Even we can place Release Restrictions, as well similar to the apply Hold.

Summary:

This document provides a good exposure to any consultant for performing Holds Restriction setup in Order Management Fusion.
